About this coin

The 2025 “Queen’s Panther” – one ounce of 999.9 fine gold capturing the sleek power of one of the most elegant Tudor Beasts. The Panther, adorned with flames and crowned with royal authority, embodies vigilance and dignity. Expertly struck by The Royal Mint, it stands as a testament to both the artistry of British heraldry and the enduring value of gold.

About The Royal Tudor Beasts

The Royal Tudor Beasts series follows on from The Queen’s Beasts. It takes as its subject the heraldic creatures of the Tudor dynasty, the carved beasts that Henry VIII and his family used to proclaim their lineage, such as those that line the moat bridge at Hampton Court Palace.

Each coin features one beast, struck by the Royal Mint in 999.9 fine gold. As UK legal tender the coins are free of Capital Gains Tax for UK residents. Collectors value the series for its detailed heraldic designs and its link with one of England’s best-known royal houses.
