About this coin

The 2023 “King Arthur” – one troy ounce of 999.9 fine gold commemorating the legendary sovereign of Camelot. With Excalibur in hand and destiny before him, Arthur stands as a symbol of courage and justice. Minted by The Royal Mint, this coin brings Britain’s greatest legend to life in gleaming gold — a fitting tribute to the king who became a myth.

About Myths and Legends

The Myths and Legends series brings the heroes and villains of British folklore to gold. It began with Robin Hood and his companions Maid Marian and Little John, and continued with the legends of King Arthur, Merlin and Morgan le Fay, and the Old English epic of Beowulf.

Each design is struck by the Royal Mint in 999.9 fine gold, and as UK legal tender the coins are free of Capital Gains Tax for UK residents. With a new character each year, the series appeals to collectors building a set as well as to investors buying gold by the ounce.
