About this coin

The 2021 “Robin Hood” – one troy ounce of 999.9 fine gold honouring England’s legendary hero of Sherwood Forest. Robin Hood, the champion of the poor, takes aim with his bow in this beautifully struck coin by The Royal Mint. As the debut issue in the Myths and Legends series, it captures the spirit of English folklore and the timeless appeal of gold craftsmanship.

About Myths and Legends

The Myths and Legends series brings the heroes and villains of British folklore to gold. It began with Robin Hood and his companions Maid Marian and Little John, and continued with the legends of King Arthur, Merlin and Morgan le Fay, and the Old English epic of Beowulf.

Each design is struck by the Royal Mint in 999.9 fine gold, and as UK legal tender the coins are free of Capital Gains Tax for UK residents. With a new character each year, the series appeals to collectors building a set as well as to investors buying gold by the ounce.
