About The Four Nations

The Four Nations design celebrates the four nations of the United Kingdom, England, Scotland, Wales and Northern Ireland, through their national emblems.

This is a proof coin, struck by the Royal Mint several times with specially polished dies to give a mirror-like finish and fine detail. Proof coins are made in limited numbers, are collected as much for their quality as for their gold, and usually come in a presentation case with a certificate of authenticity. As UK legal tender, the coin is free of Capital Gains Tax for UK residents.
